

**PLANNING SHEET FOR VOCATIONAL / TECHNICAL COURSE OF STUDY**

Dear Teacher, this planning sheet is for your use only. We recommend using pencil. Write in the specific course titles under the years they will be taken (not to exceed 7 credits per year + 3 per summer). Since you are the primary guidance counselor and teacher we provide this to help ensure that your student(s) acquire all 21 credits required for a diploma, transcript, and college placement. (Note: 1 credit = approx. 150 hrs.) Good planning on your part is necessary to avoid falling short by 12th grade. A few select courses have been filled in as suggestions. These may be changed, however. In addition to our follow requirements many vocational and technical colleges require either the ACT or SAT for admission. For questions please visit **HIGH SCHOOL FAQ**. Thank you for your diligence. Sincerely, David Parkerson.

<b>COURSES / CREDITS</b>	<b>9TH GRADE</b>	<b>10TH GRADE</b>	<b>11TH GRADE</b>	<b>12TH GRADE</b>
<b>ENGLISH:</b> 4	English I	English II	English III	English IV
<b>MATHEMATICS</b> 3
