

## GOAL-BASED PLANNING SHEET for College2TM Path

This planning sheet is for your college-bound student looking to attend a two (2) year college, technical school or enter the military. The courses below are recommendations ONLY. It is the parent's responsibility to ensure the student has met the requirements for the college in which he/she will be attending. **Check with the college, technical school or military recruiting office concerning which courses are required for admission and build your plan based on those requirements.** No more than 8 credits recommended per school year. If you need assistance, please contact one of our counselors or submit this planning sheet for review. ~HLA Counselors
