

GOAL-BASED PLANNING SHEET for LifeChoice Path

This planning sheet is for those choosing the LifeChoice Path. LifeChoice gives options for those whose goals may involve entering directly into the workforce, carrying on a family business or starting your own. Your student may want to follow the Lord into the ministry through missions, travel abroad, or become a homemaker. We want students to customize an education that fits each student's goals and prepares them for the future. LifeChoice Path is ideal for students whose post-secondary plan does not require formal continuing education. It is if you need assistance, call 888-560-0774 and ask to speak with a counselor. **Your counselor can help you to establish a credit requirement list based on your student's goals.** We are dedicated to you and your family. —HLA Counselors
